

PRIORITIZATION FRAMEWORK: ① generate ② eliminate ③ prioritize

## DECISION-MAKING FRAMEWORK

1. What **issues** does this situation present?
2. What **rules** and regulations apply?
3. What **questions** do you need/want to ask?
4. What **resources** are available to you to work through this situation?
5. What **options** do you have? **Who** will be affected by each?
6. What are you going to **do**? What (exact) **words** will you use?

## DECISION-MAKING FRAMEWORK

1. What **issues** does this situation present?
2. What **rules** and regulations apply?
3. What **questions** do you need/want to ask?
4. What **resources** are available to you to work through this situation?
5. What **options** do you have? **Who** will be affected by each?
6. What are you going to **do**? What (exact) **words** will you use?
